AFFINITÉ

Affinité is an urban planning solution offering unlimited solutions to sculpt the urban landscape.

Straight or curved modules, aligned slats of wood, with or without backrest, free-standing installation or combined installation. Lengths and shapes reflect your creativity...

Affinité lets you freely imagine whatever suits you in creating your public spaces to match their uses.

The elegant design, the light lines, the discrete assemblying of the **Affinité** modules will add a qualifying, positive and elaborated image to your urban landscape.

The soft shape of the wooden slats will offer comfort and well-being to the users.

Create your tree surrounds, curvy shapes, straight alignments or whatever you have an affinity for.
